

## ROOF AND EAVES

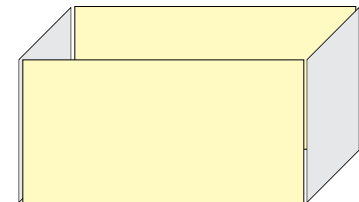

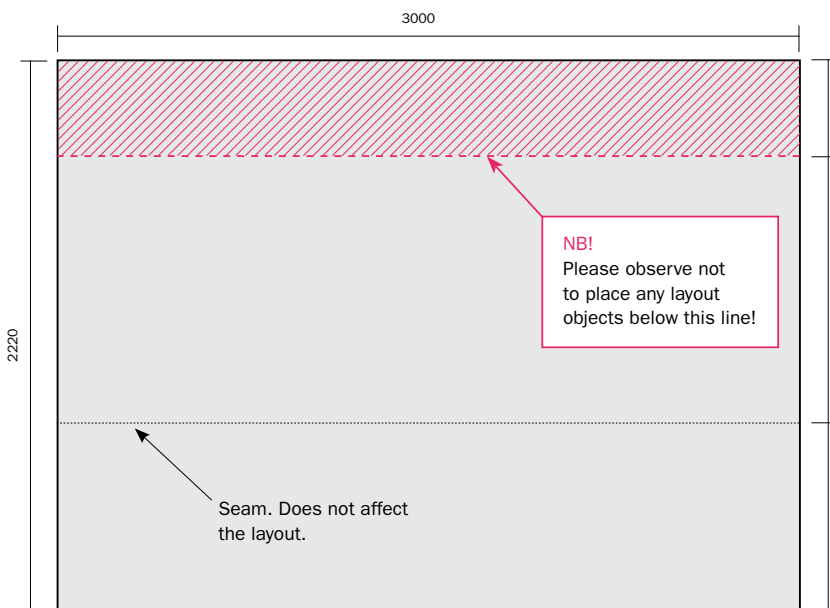

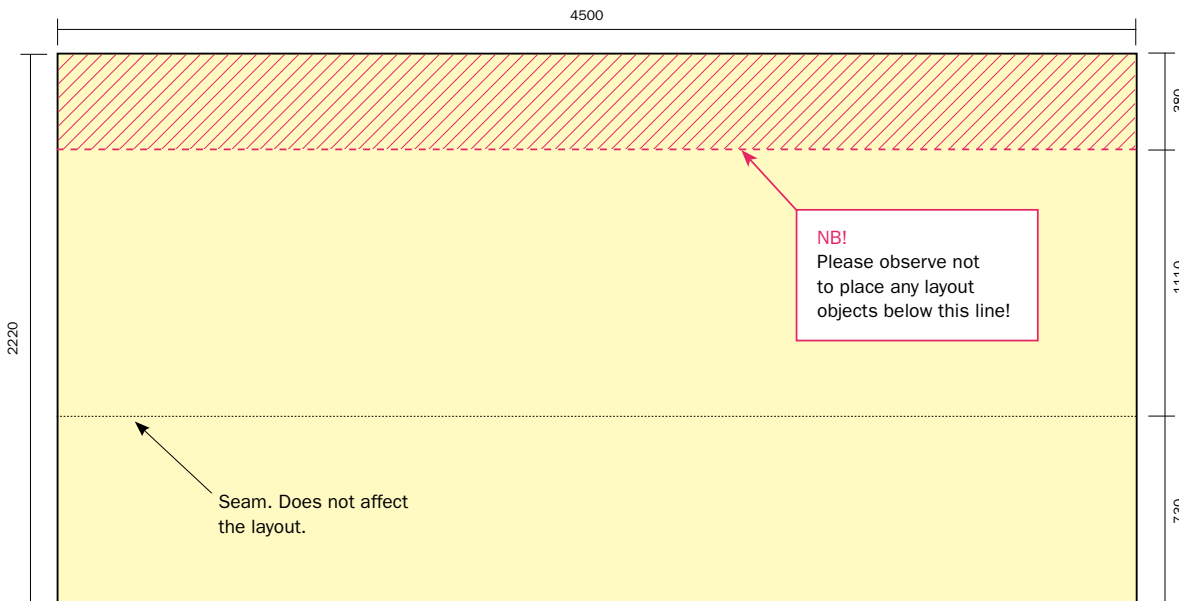

**NB!**  
For your layout, leave 7-10 cm open space/margins near the edges.

**NB!**  
Two of the tent roof's eaves have the manufacturer's logo in the bottom right corner - please take that into consideration while preparing your layout!

## SIDEWALLS

## MEASUREMENTS

- » See diagram

## FILE REQUIREMENTS

- » 1:1
- » CMYK
